ARTICLE I

ARTICLE II

NEGOTIATION PROCEDURE

A. The parties agree to enter into collective negotiations over a successor agreement in a good faith effort to reach agreement. Once ratified, any contract shall apply to all employees for whom the Association is authorized to negotiate and shall be reduced to writing and signed by the authorized representatives of both parties.

B. During negotiations, the Board and the Association shall present relevant data, exchange points of view, and make proposals and counter-proposals. The Board shall make available to the Association, for review, pertinent public records, data and information of the Carlstadt School District. The Association, likewise, shall make available to the Board, for review, pertinent public records, data and information of the Association.

C. Neither party in any negotiations shall have control over the selection of the negotiating representatives of the other

party. Both parties shall be empowered to consider tentative proposals, to make tentative proposals, and to make tentative counter-proposals during negotiations.

D. The Association and the Board negotiating units will schedule meetings at the convenience of both units for the purpose of negotiating said contract.

E. All cost of supplies relevant to the printing of proposals and counter-proposals shall be assumed by the individual parties.

ARTICLE III

GRIEVANCE PROCEDURE

A.1. A grievance is claim by an employee or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions and practices directly affecting the working conditions of an employee or a group of employees.

2. An "aggrieved person" is the person or persons or the Association making the claim.

3. The term "grievance" and the procedure relative thereto shall not be deemed applicable in the following instances:

a. The failure or refusal of the Board to renew a contract of a non-tenure employee.

b. In all such matters that are clearly subject to applicable law and beyond the scope of the Board's authority and limited to action by the Board alone.

B. A grievance must be filed within thirty (30) calendar days of its occurrence or such grievance shall be deemed to constitute abandonment of the grievance.

C. Any employee shall have the right to present his grievance through the process described in the following steps. He shall have the right to present his own appeal or to designate representatives of the Association or another person of his choosing to appear with him or for him at any step in the appeal.

D. No reprisals shall be taken, by either party, against any participants in a grievance.

STEP 1. An employee or employees with a grievance shall file, in writing, the grievance with the principal, either directly or through the Association, with the objective of resolving the matter. A decision shall be rendered within five (5) school days after the presentation of the grievance.

STEP 2. If the grievance is not resolved or a decision rendered, to the satisfaction of the aggrieved person, within five (5) school days after the presentation of the grievance, the aggrieved person may file the grievance with the Association within ten (10) school days after the grievance was presented in Step 1. Within five (5) school days after receiving the written grievance, the Association shall refer it to the Superintendent of Schools. The written grievance shall specify:

- a. The nature of the grievance, citing specific instance and persons involved.
- b. The results of the previous discussion.
- c. The basis of dissatisfaction with the determination.

The Superintendent, upon receipt of the grievance report, shall attempt to resolve the matter as quickly as possible and shall

meet with all involved parties within five (5) school days. He shall then have fifteen (15) school days to render his decision after the grievance is presented to him.

If the Superintendent fails to act or renders a decision deemed unsatisfactory to the aggrieved person within the time limits stated in Step 2, the aggrieved person may appeal to the Board within ten (10) school days.

STEP 3. If the aggrieved person does not request a hearing, the Board may consider the appeal on the written record submitted to it, or the Board may, on its own, conduct a hearing or it may request the submission of additional written material. A hearing shall be held, as expeditiously as possible, when the aggrieved person requests a hearing, in writing.

The Board shall make a determination within 45 calendar days, which may be extended in the event of an emergency to 60 calendar days, from the receipt of the written grievance. In the event of a hearing, the decision shall be made within 30 calendar days of the hearing.

The final decision on any grievance shall be at Step 3 of this grievance procedure, except for grievances relating to teachers only that are an alleged violation, misinterpretation or misapplication of the language of this Agreement.

STEP 4. If the aggrieved person is not satisfied with the decision at Step 3, and if the grievance relates to teachers only and is an alleged violation, misinterpretation or misapplication of the language of this Agreement, the aggrieved person shall have the right to request, in writing through the Association, non-binding arbitration within ten (10) days of the decision rendered in Step 3.

If the Association determines that the grievance has merit, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties cannot agree on an arbitrator within 21 days, a request for a list of arbitrators may be made to the American Arbitration Association by either party.

The authority of the arbitrator shall be limited solely to the interpretation of the language of this Agreement and he shall have no authority to add to, subtract from, or modify any of said provisions.

The arbitrator's decision shall be submitted to the Board and the Association and shall be non-binding on either party. Should any of the parties reject the non-binding decision of the arbitrator, the reason or reasons shall be stated in writing no later than 30 days from the date of the receipt of the decision.

Decisions rendered in all steps of this grievance procedure shall be in writing.

All costs for the services of the arbitrator shall be shared equally by the Board and the Association.

ARTICLE IV

ARTICLE IX

PROFESSIONAL ETHICS

A. It is recognized that the need for continued and uninterrupted operation of the School District is of paramount importance and that there should be no interference with such operation.

B. The Association covenants and agrees that neither the employee organization nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, or willful absence of an employee from his position, or stoppage of work or

abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walk-out or other job action or the invocation of sanctions against the Board. The Association agrees that such action would constitute a material breach of this Agreement.

C. The Association further agrees that no member shall refuse to cross any picket line, nor will engage in, sanction, encourage or assist in any strike or similar action or conduct on the part of the students of the School District.

D. In the event of a strike, slowdown, walk-out, job action or the invocation of sanctions, it is covenanted and agreed that participation in any such activity by any Association member or any employee represented by the Association shall entitle the Board to deem such activity as grounds for termination of employment of such employee or employees, subject, however, to the application of the Tenure Hearing Law.

ARTICLE X

BOARD RIGHTS AND RESPONSIBILITIES

A. Subject to the express provisions of this Agreement, the Board hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement or which may hereafter be conferred upon it and vested in it by the laws and Constitution of the State of New Jersey and of the United States, including, but without limiting, the generality of the foregoing, the following rights:

1. The management and administrative control of the operation of the School District and its properties and facilities and activities of its employees;

2. To hire all employees and to determine their qualifications and condition for continued employment or assignment and to promote and transfer employees;

3. To suspend, demote, discharge or take other disciplinary action for good and just cause;

4. To determine curricula, grade, courses, athletic and recreational programs, methods of instruction and material used for instruction;

5. To determine the methods, means and personnel by which the District operations are conducted;

6. To determine the content of job qualifications and duties;

7. To take all necessary actions to carry out its responsibilities in the conduct of regular business and in emergencies;

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the express terms of this Agreement, and then only to the extent such terms hereof are in conformance with the Constitution and Laws of the State of New Jersey and of the United States.

C. Nothing contained herein shall be construed to deny or restrict the Board of its rights, responsibilities and authority under R.S. 18A, School Laws of New Jersey, or any other national, state,

county, district or local laws or regulations.

ARTICLE XI

MEMBERSHIP AND REPRESENTATION FEE DEDUCTIONS FROM SALARY

A. The Board agrees to deduct from the salaries of its employees dues for the Unified Associations (Carlstadt Education Association, Bergen County Education Association, New Jersey Education Association and the National Education Association) as said employees individually and voluntarily authorize the Board to deduct. Requests must be filed with the Secretary of the Board prior to October 1st of each year, on an appropriate form to be supplied by the Board. Notice of withdrawal is effective on January 1 and July 1 next succeeding the date of which notice of withdrawal is filed.

B. If any regular full time employee does not become a member of the Association during any membership year (from July 1 to the following June 30) which is covered in whole or in part by the Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

C. Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

D.1. Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list

of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the representation fee and will transmit the amount so deducted to the Association.

2. The Board will deduct the representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid listing during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

a. Within 60 days after receipt of the aforesaid list by the Board; or

b. 60 days after the employee begins his or her regular full time employment in a bargaining unit position, unless the employee previously served in a regular full time bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid 30 days after the resumption of the employee's regular full time employment in a bargaining unit position, whichever is later.

3. Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

4. The Association will notify the Board in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any

deduction made more than 60 days after the Board received said notice.

5. The Association shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13-5.5(c) and 5.6, and membership in the Union shall be available to all employees in the Association on an equal basis at all times.

6. The Association shall certify that a demand and return system is in existence.

7. The Association shall indemnify, defend and save the Board harmless from any claims raised against it by an employee as a result of properly fulfilling its obligations under this Article, including but not limited to, paying reasonable attorneys fees and/or legal damages.

ARTICLE XII

TEMPORARY LEAVES OF ABSENCE

A. All regular employees, for whom the Association is authorized to negotiate, shall be entitled to the following temporary non-accumulative leaves of absence, with pay each year of this agreement.

1. Up to four (4) consecutive calendar days for leave immediately upon the death of a member of the immediate family (father, mother, sister, brother, spouse, child, mother-in-law, father-in-law). Additional day(s) will be considered, upon written request to the Superintendent.

2. One (1) day leave for day of funeral of any other relative, per occurrence.

3. One (1) day leave for marriage of employee.

4. One (1) day leave for house closing.

5. Two (2) days leave for illness of a member of the immediate family residing in the household of the employee, per occurrence.

6. Religious Holy Days when religion prohibits attendance at school.

Requests for personal leave shall be filed with the Superintendent, through the building principal, at least five (5) school days in advance of the contemplated absence, except in case of emergency. The employee shall state the reason for the request and explain the necessity for the matter to be handled during school hours.

B. A maximum of three (3) teachers, one (1) custodian and one (1) secretary per day, on a first come first served basis, will be permitted two (2) days leave of absence for personal matters, upon written application to the Superintendent, through the building principal, at least two (2) days in advance of the contemplated absence. Employee shall not be required to state reason for taking such leave other than that it is being requested under this section.

C. In an emergency, the Superintendent, upon being informed by the employee of the nature of the emergency, may waive specific restrictions and authorize an emergency personal day. Written explanation of emergency shall be submitted to the Superintendent within two (2) days of occurrence.

ARTICLE XIII

EXTENDED LEAVES OF ABSENCE

A. The Board shall grant disability leave, with or without pay, during the disability period, upon the request of the employee. Subsequent to the disability period, the employee may, with the Board approval, be granted an extended leave of absence, without pay. The employee may elect to use accumulated sick leave for said disability

period subject to the following stipulations and limitations:

1. The Board may remove any employee from her duties for any of the following reasons:

- a. Job performance substantially declines from the period preceding disability.

- b. Physical condition or capacity renders the employee incapable of performing assigned duties, which shall be deemed to exist if:

1. The employee fails to produce a physician's certificate that she is medically able to continue working, or

2. The Board's physician concludes she is unable to continue working.

3. In the event the physician of the employee shall be of the opinion that said employee is capable of performing her duties up to a specified date but the medical examiner of the Board shall be of a contrary opinion, then the employee and the Board shall mutually agree upon the appointment of an impartial third physician whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue in the performance of duties. In the event of the inability of the employee and the Board to agree upon the appointment of the third physician, such appointment shall be made by the Bergen County Medical Society. The expense of any examination by an impartial third physician shall be shared equally by the employee and the Board.

2. Any tenured or non-tenured employee seeking such leave shall apply to the Board sixty (60) days prior to the beginning of the

leave. At the time of application the employee shall specify in writing the date on which she wishes to return.

The Board shall require said employee to produce a certificate from her physician in support of the requested leave dates. The physician's certification is subject to agreement by the Board's physician. Where medical opinion is supportive of the leave dates requested, such leave shall be granted by the Board. The Board may change the requested dates upon finding that the grant of leave for the dates stipulated and medically confirmed would interfere with the administration of the school.

After a leave has been approved, the commencement or termination dates thereof may be further extended or reduced upon application by the employee to the Board. Such extensions or reductions shall be granted by the Board for an additional period of time provided, however, that the Board may alter the requested dates upon a finding that such extension or reduction would interfere with the administration of the school and/or with the education of the pupils and, provided further, that such change by the Board is not medically contraindicated.

Any extension shall be limited to one additional school year. A request for extension of leave must be made at least three (3) months prior to the expiration of the first leave.

3. The Board is under no compulsion to continue the employment of a non-tenure employee beyond the contracted period. The leave period shall not be counted for tenure purposes.

4. Advancement on the salary guide shall be based upon the date of commencement of the leave of absence. The employee will be granted a full salary guide step if she is in attendance for more than

100 working days. Attendance for 100 days or less shall result in no advancement on the salary guide.

B.1. The Board shall have the right to require an employee who desires to return to her duties to produce a certificate from her physician stating she is capable of resuming duties. In the event of a difference of opinion between the employee's physician and the Medical Examiner of the Board relative to the resumption of duties by said employee, the Board shall pay the expenses for an examination by an impartial third physician.

2. Failure of the employee to resume duties on the agreed upon return date may constitute grounds for dismissal.

C.1. In the case of a birth or adoption placement of a child, any employee may request a leave without pay for child rearing purposes. Such request shall not be unreasonably denied by the Board.

2. In cases where both husband and wife may be employees in this school system, only one of said persons shall be entitled to such leave.

3. In the case of female employees, the application for child rearing leave may be made to become effective immediately upon termination of the anticipated disability leave.

4. Child rearing leave if approved, shall be granted for a period of up to the end of the school year in which the birth or adoption placement of the child occurs, but such leave may upon the request of the employee and approval of the Board, be extended for one additional year. Such extension shall not be unreasonably denied. Requests for extensions of such leaves must be made at least three (3)

months prior to the expiration of the first period thereof.

5. Where a child rearing leave is requested, the employee requesting such leave shall not be permitted to return to the school system following such leave during the last month of the school year.

6. Applications for child rearing leave shall be filed at least three (3) months before the anticipated birth or adoption placement of the child.

7. Where an employee who has been granted a child rearing leave returns to the system at any time other than the start of the school year, such employee may be assigned to any position decided upon by the Superintendent as long as such assignment is within the capabilities or certification of such employee.

8. Anything to the contrary, notwithstanding, a child rearing leave granted to a non-tenure employee need not be extended beyond the end of the contract school year in which the leave is obtained.

D. A leave of absence, without pay, for a school year other than disability, may be granted to any tenure employee when said employee applies for said leave, in writing, to the Superintendent and is approved by the Board.

ARTICLE XIV

MISCELLANEOUS EMPLOYEE PROVISIONS

A. Employees may individually elect to have any legal portion of the monthly salary deducted for participation in one or more mutually agreed upon Tax Deferred Annuity Plan(s) handled by one mutually agreed upon agent. Deduction forms shall be filed with the Board Secretary at the start of each school year. Any changes in the plan or termination

thereof may occur twice during the contract year. Notice of termination or modification shall be given in writing prior to the 5th of any month of desired change.

B. Copies of this Agreement shall be printed at the expense of the Board after agreement with the Association. The Agreement shall be given to all employees.
